The screenshot shows an IDE interface with a file explorer on the left and a terminal window in the center. The file explorer shows a project structure with folders like 'testMobile', 'allure-results', and 'BelajarBarengApps', and files like 'app.spec.js', 'package-lock.json', and 'wdio.conf.js'. The terminal window displays the output of a test run, including logs from the WebDriver and the 'spec' Reporter. The test results show 1 passed test in 6.4s.
